The screenshot shows the Creately web application interface. A central dialog box titled "Setup Creately" is open, displaying a "Diagrams Anywhere" configuration screen. The dialog box has a title bar with a refresh icon and the text "Diagrams Anywhere" and "Step 3 of 3". The main content of the dialog box reads: "Creately Desktop comes with the 'Diagrams Anywhere' capability. You save on your desktop (or on creately.com) and diagrams are automatically synchronized. You can selectively disable synchronization for diagrams and projects later. Learn more about [Diagrams Anywhere](#)". Below this text is a checkbox labeled "Activate Diagrams Anywhere for lankika@cinergix.com" which is checked. A "Change Account" link is positioned to the right of the checkbox. At the bottom of the dialog box are "Back" and "Finish" buttons. The background of the screenshot shows the Creately web interface with a sidebar on the left containing a "Projects" list, a main workspace with a diagram titled "finalized colors", and a top navigation bar with "Profile", "Help", "Exit", and "Go To Editor" options. A "New Document" button is visible in the top right corner of the workspace area.
